Commander's Column

This month I want to put my focus on opportunities to volunteer and help out in big and small ways. So let me put a pin in a few areas where help is needed.

The Post Color Guard is always looking for new members. SONs, Auxiliary, Legionaries welcome one and all. We do little if any marching and many of our activities are inside. See *Carl Carey* or myself for details.

Wreaths Across America is upon us already. We need one or two to help pull our collective contributions together. and ensure our regional coordinator is sync'd to our efforts Minimal time. Lots of return. Let me know if you'd like to help. See my email below.

Toys For Tots also needs someone to step up and help. Once again, minimal time with lots of return. Let me know if you can help. See email below.

Monday morning bingo is conducted by volunteers. If you can, come in and see what's involved. I find helping out fun and enjoyable. Starts 9:00 and we're done by noon.

We have two great recruiting opportunities coming up soon. The tank farm in August and a car show in September. Help at both events definitely needed.

So step out of your comfort zone and be counted!

Thank you one and all.

JLC Report

An informal after-action meeting was held at VFW Post 9808 on April 14. At that time the outcome of the proposals offered to the legislature were evaluated and a roadmap going forward discussed. The JLC met formally at the Virginia War Memorial on May 9. The agenda included a wrap up of last year's legislative session (4 wins) and the prospect of reintroducing JLC 2023-02 and JLC 2023-03 for the next session.

2023 Joint Leadership Council Legislative Initiatives Status

JLC 2023-01 Constitutional amendment; property tax exemption for certain surviving spouses. Signed by the Governor, will be reintroduced in 2024 Session, and if passed and signed will require a referendum in the 2024 General Election.

JLC 2023-04 Military spouses; burial fees. Signed by the Governor and becomes effective 1 July 2023.

JLC 2023-05 Virginia National Guard Passport established; free entry and parking. Signed by the Governor and becomes effective 1 July 2023.

JLC 2023-06 Income tax subtraction; National Guard. Increases from \$3,000 to \$5,500 the income tax subtraction for wages or salaries. Also expands the military ranks that qualify to 06 and below: Signed by the Governor and will be effective for calendar year 2023.

JLC 2023-02 Real property tax; exemption for disabled veterans and surviving spouses. Provides that a person who is eligible for the real property tax exemption for certain disabled veterans and surviving spouses is entitled to a refund, retroactive to his date of eligibility, of taxes paid during the period of exemption, excluding interest or penalties. Under the bill, the refund is exempt from the statute of limitations for applications for correction of an assessment. Currently not included in the General Assembly Budget.

JLC 2023-03 Income tax, state; military benefits subtraction, age restriction. Income tax; military benefits subtraction; age restriction. Removes the age 55 or older restriction on those individuals allowed a military benefits income tax subtraction beginning with taxable year. Currently not included in the General Assembly Budget.

Charitable Gaming: I spoke on the issues with charitable gaming in the Commonwealth and shared a position paper for a possible JLC initiative.

I previously had a Zoom meeting with Senator **Bryce Reeves** who is working the gaming issues. There is a plan to address the issues through a working group of state legislators and hopefully arrive at an acceptable solution without involving the next legislative session or the JLC. Should an acceptable solution not be reached I will modify the position paper accordingly and introduce a JLC initiative for which Senator **Reeves** agreed to be a patron. I have wide support within the JLC and do not foresee any issues getting approval for an initiative if needed.

Department of Veteran Services Report: DVS Commissioner **Daniel Gade** gave an update on several items:

- A Virginia is for Veterans logo has been approved.

- \$5M has been allocated for suicide prevention.

- Data has been obtained to support the outreach program.

- A woman's Veteran license plate is in the design phase should be available in the fall.

- The DVS has updated performance measurements.

- The Puller Veterans Facility at Vint Hill has construction delays – hopefully opening in November.

Department of Military Affairs Report: Major General **Timothy Williams**, the Adjutant General of Virginia, reported 50 National Guard members will be deployed to Eastern Europe to establish brigade operations which potentially could grow to 4300 soldiers.

MG **Williams** is also grateful that the JLC has been instrumental in National Guard support.

MG **Williams** is retiring in June and his successor will be Brigadier General **Jim Ring**.

JLC Chair **Denise Williams** presented MG **Williams** with a plaque honoring his service.

JLC Organization: Legislative Chair **John Clickener**, Marine Corps League stepped down for health reasons. **Glenn Yarborough**, AUSA was appointed interim chair. The next JLC meeting will be July 13 at the Virginia War Memorial.

Rick Raskin, JLC Representative

Remember Everyone Deployed Fridays (R.E.D.)

R.E.D. was created to show solidarity and support for our deployed service members and veterans. The primary mission is to keep the deployed at the forefront of our hearts and minds until they return home by wearing red on Fridays. The deployed and their families are not nameless, faceless, or forgotten. They are our heroes, and for them, we go R.E.D. on Fridays. We honor the sacrifices and responsibilities the service members accept to protect our way of life. Wearing a specific color of shirt or other apparel may seem a trivial act, but it represents something very significant. It translates to mean that as you prepare for the day, you recognize that others are playing an active role to allow you to go about your day with relative peace of mind that you are safe.

My heartfelt thanks to: *Jake Bianco* (mulch and weeding around flag pole), *Greg Neiss* (door closer), *Greg Hall* (clean/sanitize Hall trash cans), and *Carl Carey* (general maintenance).

Much appreciated to each of you for your assistance in the maintenance of the Post.

There is much more to do around the Post so if you have the ambition and time see me.

NOTICES: When playing the 'game' machines *you must turn in your cash receipts within 48 hours of printing them.* After that they become **null and void**. The Post has 48 hours to pay on winning tickets. Playing of machines during Social Quarters' hours **ONLY!**
Thank you for your cooperation.

ATTENTION ALL: PRICE INCREASES TOOK EFFECT SUNDAY 4 JUN 2023

We must increase the cost of all drinks due to our vendors raising the price to us.

16 oz. glass of beer increase by \$0.50.

Pitcher of beer (small and large) will increase by \$1.00.

Bottle of wine will increase by \$0.50.

Soda, juices, & Gatorade will increase by \$0.50.

We have **not** increased our prices of the above for a number of years. We still have the best prices (inexpensive) in the area. We appreciate your understanding and cooperation in these unstable / inflationary economic times.

Thank you,

INDEPENDENCE DAY

The Fourth of July (Independence Day) has been a federal holiday in the U.S. since 1941, but the tradition of Independence Day celebrations goes back to the American Revolution.

BACKGROUND: When the initial battles in the Revolutionary War broke out in April 1775, few colonists desired complete independence from Great Britain, and those who did were considered radical. By the middle of the following year, however, many more colonists had come to favor independence, thanks to the growing hostility against Britain and the spread of revolutionary sentiments such as those expressed in the pamphlet “Common Sense,” published by *Thomas Paine* in early 1776.

On June 7, when the Continental Congress met at the Pennsylvania State House (Independence Hall) in Philadelphia, the Virginia delegate *Richard Henry Lee* introduced a motion calling for the colonies’ independence. Amid heated debate, Congress postponed the vote on *Lee’s* resolution, but appointed a five-man committee—including *Thomas Jefferson* of Virginia, *John Adams* of Massachusetts, *Roger Sherman* of Connecticut, *Benjamin Franklin* of Pennsylvania and *Robert R. Livingston* of New York—to draft a formal statement justifying the break with Great Britain.

On July 2nd, the Continental Congress voted in favor of *Lee’s* resolution for independence in a near-unanimous vote (the New York delegation abstained, but later voted affirmatively). On that day, *John Adams* wrote to his wife *Abigail* that July 2 “will be celebrated, by succeeding Generations, as the great anniversary Festival” and that the celebration should include “Pomp and Parade...Games, Sports, Guns, Bells, Bonfires and Illuminations from one End of this Continent to the other.”

On July 4th, the Continental Congress formally adopted the Declaration of Independence, which had been written mostly by *Jefferson*. Though the vote for actual independence took place on July 2nd, *Adams* believed that July 2nd was the correct date on which to celebrate the birth of American independence, and turned down invitations to appear at July 4th events in protest. During the summer of 1776 some colonists celebrated the birth of independence by holding mock funerals for *King George III* as a way of symbolizing the end of the monarchy’s hold on America and the triumph of liberty.

Philadelphia held the first annual commemoration of independence on July 4, 1777, while Congress was still occupied with the ongoing war. *George Washington* issued double rations of rum to all his soldiers to mark the anniversary of independence in 1778, and 1781, several months before the key American victory at the Battle of Yorktown. Massachusetts became the first state to make July 4th an official state holiday. After the Revolutionary War, Americans continued to celebrate Independence Day. The tradition of setting off fireworks on the 4th began in Philadelphia on July 4, 1777, during the first organized celebration of Independence Day. Ship’s cannon fired a 13-gun salute in honor of the 13 colonies. The *Pennsylvania Evening Post* reported: “at night there was a grand exhibition of fireworks on the Commons, and the city was beautifully illuminated.” That same night, the Sons of Liberty set off fireworks over Boston Common. The tradition of patriotic celebration became even more widespread after the War of 1812, in which the US again faced Great Britain. In 1870, the U.S. Congress made July 4th a federal holiday; in 1941, the provision was expanded to grant a paid holiday to all federal employees.

VA disability does not stop at age 65; nor does it stop at age 67. VA disability benefits are for the life of the disabled veteran! In some instances, the veteran's VA benefits can pass to the surviving spouse. At age 65, a disabled veteran may also become eligible for VA pension benefits.

It is very important that you know that you must sign and complete a "Appointment of Veterans Service Organization as Claimant's Representative (also called "power of attorney"). This authorizes The American Legion to assist Veterans and beneficiaries. Additionally, please send your full and complete contact information. You cannot have more than one POA!

I am available to assist Veterans and their families in completing and filing benefit claims. Contact **Ginger Harvey** at: ginger.c.harvey@gmail.com for VA claims assistance.

Post 10 Service Officer, **Ginger Harvey**

REMINDER: During ceremonies the Social Quarters is CLOSED. Post SQ Rules clearly states "During Post 10 ceremonies the Social Quarters will be closed. Occupants must either attend the Post 10 ceremony or vacate Post 10 property." Take the time and attend the ceremony, you may find it informative and interesting.
