Commander's Column

The good news is that winter is officially over. The cold rain and wind seems to linger. But sunny days will be here again and along with them opportunities to take advantage of the goings on around the Post. Check out the newsletter and the website (www.post10manassas.org) or go to our Face Book. Lots of great information out there. Also, there are always opportunities to pitch in and help, A few examples are: Post Color Guard, kitchen on Wednesday and Friday evenings, Annual Toys 4 Tots, annual Wreaths Across America, getting 3 or 4 helpers together to paint the Ladies room in the SQ. I'll be the first to step up but I won't pick the color!! Though Infantry blue would be nice. Stay safe, stay dry and I'll see you at the Post.

Dave Quimby, Your American Legion Post 10 Commander

KILLED IN BOMBING OF U.S. EMBASSY

On April 18, 1983, the US Embassy in Beirut, Lebanon, was partially destroyed by a suicide bombing that killed 63 people. It was the deadliest attack on a U.S. diplomatic mission up to that time and was considered the beginning of Islamist attacks on U.S. targets.

LCpl Robert Vincent McMaugh was killed in the attack. He was a 1980 graduate of Osbourn High School and joined the Marines a few months later. He volunteered to become a Marine Security Guard (MSG), and after training he was sent to Beirut. *Robert* was standing Post 1, front entrance to the Embassy, and was instantly killed by the explosion. He was posthumously promoted to the rank of Corporal.

Cpl McMaugh is buried at Arlington National Cemetery. Last year a ceremony was held on MCB-Q dedicating the McMaugh Hall in memory of *Cpl McMaugh*. As you know our Post is named for *Cpl Robert V. McMaugh*. *Semper Fidelis*, MARINE!

Thanks to *Greg 'Speedy' Neiss* the Space Force plaque was hung outside the Post building. This required repositioning the other service plaques to make room for the SF in it's proper order.

Post 10 American Legion Riders

The Legion Riders took off on their 3rd Polar Bear ride of the season. *Carl Carey, Dave Fisk (Pops), Leon Kowalewski, Rick Goodman, Steve Wells, Tim Henderson, Andy and Meredith Pascoe* headed off on a wet 47° morning. Heading off to Hammerdown BBQ in Lenah Va., for some great BBQ. Thanks to the restaurant owners for putting in a nice motorcycle parking pad the week before our ride. We were the 1st to test it out. A nice leisurely ride back to the Post through the hills of Loudoun and Fauquier Counties brought us home. A nice 80 mile run.

The Rider also participated in 24th Manassas St. Patrick's Day Parade, riders in attendance *Steve Wells, Gregg Neiss* and his niece *Ella, Dave Fisk (Pops), Andy and Meredith Pascoe* and *Leon Kowalewski*. A rainy and drizzly day didn't stop us from riding, spirits were high and the luck of the Irish was with us.

Remember Everyone Deployed Fridays (R.E.D.)

R.E.D. was created to show solidarity and support for our deployed service members and veterans. The primary mission is to keep the deployed at the forefront of our hearts and minds until they return home by wearing red on Fridays. The deployed and their families are not nameless, faceless, or forgotten. They are our heroes, and for them, we go R.E.D. on Fridays. We honor the sacrifices and responsibilities the service members accept to protect our way of life. Wearing a specific color of shirt or other apparel may seem a trivial act, but it represents something very significant. It translates to mean that as you prepare for the day, you recognize that others are playing an active role to allow you to go about your day with relative peace of mind that you are safe.

FAMILY AND FRIENDS CELEBRATING EACH OTHER!

Since COVID, we as people have grown very intolerant with each other! We (as people) have become rude, and disrespectful of one another. We seem to have forgotten what empathy is. In my family there was always lots of love and happy memories at my Grandmothers' table, that led to my Aunt's, Uncle's and even today to my cousin's tables. The Legion needs to have that table set up. On May 4th, between 4pm-8pm I think we should all bring a dish, sit down and bring the heart of family back!! Let's have dinner, conversations, understanding, support and love for one another!

The Legion will only be supplying plates, napkins, silverware, chaffing dishes and sterno. We will have a theme of the 70's Love, Peace and Flower Power to decorate the Social Quarters. It is up to the rest of our Legion FAMILY to take care of its family.

The bartenders' will have a list of people who are bringing food and what kinds of food. We will need, meats, casseroles, veggies, cheese, desserts, and all the Love we can give one another. Please bring your dishes by 3pm, so we can set it up and if it needs to be heated we can do that for our family. The food will be set up in the hall (you may eat in there), but we would like for everyone to be in the Social Quarters.

There will be no dinner from the kitchen that night. A family takes care of their own! If you don't bring food and want to eat, a donation would be appreciated suggested amount \$10 up to \$25, which will go to Girls State....., but we want you to participate!

LET'S BECOME THE FAMILY WE ARE MENT TO BE, AND PAY IT FORWARD TO OUR COMMUNITIES AND POSSIBLY CHANGE ATTITUDES.

*Thank You,
Lonna*

‘Full Metal Modine’ transports Marine Corps museum visitors to Kubrick’s set

By Cameron Delean, cdelean@insidenova.com

A new temporary exhibit at the National Museum of the Marine Corps in Triangle is giving museum-goers a rare opportunity to see behind the scenes of a movie set. “Full Metal Modine” is a photographic exhibition of images captured by actor **Matthew Modine** during the filming of 1987’s “Full Metal Jacket.” The show will be on display at the museum from March 2 through September 2025.

“Full Metal Modine” offers a glimpse into the making of a war film. A Vietnam War drama directed and produced by famed director **Stanley Kubrick**, “Full Metal Jacket” is based on Marine Corps veteran **Gustav Hasford’s** 1979 novel “The Short-Timers.”

The exhibition includes dozens of images captured during the filming of the movie and printed on metal. **Modine**, who played war correspondent **Private J.T. “Joker” Davis** in the movie, captured the black and white images on a Rolleiflex camera given to him by a friend. While **Kubrick** seldom allowed photography onset, his response upon seeing **Modine** with the Rolleiflex was, “Listen, if you’re going to take pictures on my set, this is the camera you need to get ...,” according to **Modine**. “He told me about a state-of-the-art 35mm camera and which lens I should get. He even told me what kind of camera bag to purchase,” **Modine** said in an interview with museum officials. “The important part of this story is that he said, ‘If you’re going to take pictures on my set.’ That was something unheard of. And I took full advantage of that invitation.” **Modine** continued, “I can look back at those days as being part of another person’s life, this young kid who went on a journey to work with the legendary filmmaker, **Stanley Kubrick.**” **Modine** made the images available to the museum for display, and the Marine Corps Heritage Foundation paid to have them printed on metal and framed.

The National Museum of the Marine Corps is a public-private partnership between the corps and the foundation, which preserves and exhibits the material history of the Marine Corps. Similar to the other rotating photography and artistic exhibits, “Full Metal Modine” is intended to help visitors view the Marine Corps from different perspectives. The “Full Metal Modine” exhibition opened at National Museum of the Marine Corps on March 2.

In order to ensure we include all known members who have passed during this past year I ask you to help us. I ask for any of the Post 10 membership to send me a short email as soon as you have a moment with the name of any Post 10 member you know has passed so we have the best and most complete list of all those past Post 10 members and so that we can honor them on April 28, 2024.

Sons of the American Legion, Squadron 10: The Legion Families all participated in the St Patrick's Day Parade. It was a gloomy ,rainy day but the turnout was better than expected, and everyone had a great time. After the parade we all ventured back to the Post for some great food and entertainment. The SAL sponsored the No. Virginia Firefighters Emerald Society Pipe Band to come back to the Post and play their traditional St Paddys Day songs. The band consists of a couple of our own, *Kevin Byrne* and *Garrett McKenzie*. It's always a festive time and the band sounded great. We were also entertained by our 2 SAL bartenders, *Mark Emerman* and *Bobby Olinger*, as they kept everyone hydrated. The entertainment part is that they served everyone in kilts, a sight to see. St Paddys day is always a great time to be at the Post. The place was packed a majority of the day . If you didn't make it out this year pencil it in on your calendar, I guarantee you'll have a blast. On another note, SAL member *Anthony Flores* was presented with a Certificate of Appreciation plaque, given to him by *Commander Quimby*, for all his volunteer work. Congrats *Anthony!!!* The SAL are busy in April too. We have our annual **Jimmy Bryant Golf Tournament** on April 26th. Come on out for a great day of fun!!!

AUXILIARY UNIT 10 REPORT

The Auxiliary is excited to announce the recent delivery of our Member Support Trailer (MST)! It was custom-crafted over three months by Sons member **Randy Higgins** on a trailer frame donated by Taylor Boyz Trailer Repairs in Warrenton, VA. 100 plus hours were spent on designing, constructing, and lettering the purpose-built trailer to meet the needs of our Post 10 family. It is a welcome addition that will be used to benefit our members during parades, recruitment drives, and other Post-related activities, such as the two-day Tank Farm event by providing food, drinks, and a central location for folks to socialize. It is equipped with a large waterproof storage area, accessible from both sides, capable of accommodating ceremonial flags and rifles along with chairs, tables, stools, and personal items. Opening a large door on the rear of the trailer reveals a “kitchen” area complete with a microwave oven, Keurig, cooler, and other kitchen items. Power for the kitchen is supplied in one of two ways – a 120-volt shoreline or a 2500-watt propane-powered generator. As if this weren’t enough, there is a detachable four-foot bar that attaches to the exterior of the trailer, along with four bar stools, for members to enjoy their coffee and donuts.

The trailer was a hit as it made its official debut at the cold and rainy Manassas St. Paddy’s Parade where sandwiches, coffee, and donuts were served to Post 10 members. We received numerous compliments from members and the public in general.

The Auxiliary wishes to **THANK** the Riders and Sons for their generous donations to help fund and equip the MST. Within the next few months, a user manual will be created and training will be conducted. The MST will be available for use during Post 10 sanctioned events by trained members by contacting the Auxiliary president.

Photos by **Randy Higgins**

The Auxiliary would like to thank Post 10 members for supporting our Friday night fundraisers. All fundraiser items are 100% donated by Auxiliary members. We spend considerable time making items to sell, (jewelry, cookies, peanut brittle, etc.) All funds earned support the Post in one fashion or another. To date, funds have been used for the Jeep, Social Hall window treatments, patio, and most recently our Member Support Trailer. The enthusiasm expressed by Post 10 members during the fundraisers helps keep us going and we truly appreciate everyone’s support.

Liz Higgins, Fundraising Chair

Peggy Pignone, Unit 10 President

To ensure a civil conversation: Show respect for the views expressed by others, even if you strongly disagree.

Congratulations to **Jack Lilley** for 60 continuous years as a Legionnaire. **Jack** is a retired Colonel, USMC. He has been active at the Post and a member of the Board of Directors at VetPar (Manassas Veterans Parade) for years. Here's to you Colonel!

I am available to assist Veterans and their families in completing and filing benefit claims. Contact **Ginger Harvey** at: ginger.c.harvey@gmail.com for VA claims assistance. Please include all of your contact information so that I can better assist you.

REMINDER: During ceremonies the Social Quarters is CLOSED. Post SQ Rules clearly states "During Post 10 ceremonies the Social Quarters will be closed. Did you get a call or text about a suspicious purchase on Amazon? It's a scam.

One way to spot a scam is to understand its mechanics. A new and complicated scam starts with a call or text message about a suspicious charge on your Amazon account. But it's not really Amazon. It's a scammer with an elaborate story about fraud using your identity that ends with you draining your bank or retirement accounts. Here's what to know about this scam scenario.

It's not Amazon calling. Scammers spoof their phone number to make it look like it's Amazon calling. Don't trust the number in your caller ID and don't trust what the caller tells you. Worried about a suspicious purchase on Amazon? Log in through the website or app. Don't call back the number that called you or a number someone left in a voicemail or text message.

No one legitimate will tell you to keep it a secret. If there's a problem with your account or identity, always talk about it with someone you trust — especially if the stranger on the phone says it's serious or involves a crime or claims to be from the government. That's a scam.

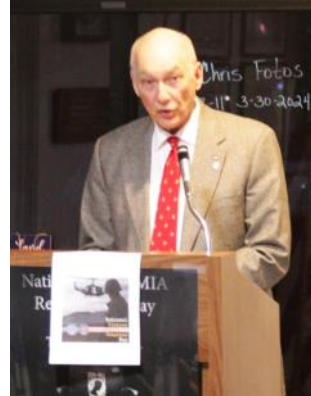

No one used your Social Security number to open fraudulent accounts in your name. Scammers say this to scare you — don't trust the person on the phone. To know for sure, get an instant copy of your credit report online for free and look for accounts you don't recognize. Visit (or have someone help you visit) [AnnualCreditReport.com](https://www.annualcreditreport.com).

Don't believe a caller who says you'll be immediately arrested for account fraud. That's a scam. If someone stole your identity to open fraudulent accounts, complete an FTC identity theft report at [IdentityTheft.gov](https://www.ftc.gov/identity-theft), then put an extended fraud alert on your credit report. Do not transfer money or drain your savings to protect it from fraud.

National Vietnam War Veterans Day: Post 10 held a ceremony on Friday, 29 MAR 2024, honoring the great service of Vietnam War Veterans. Made official through the Vietnam War Veterans Recognition Act of 2017 and signed into law by then-President *Donald Trump*. The date is significant as on 29 MAR 1973, the last combat troops were withdrawn from Vietnam and around this same day Hanoi released the last of its acknowledged prisoners of war.
