Hello Legion Family,

-October has arrived and with it cooler weather, great fall colors and fun filled Fall Holidays. Please remember as the weather continues to get colder to check in on our elderly brother and sister Veterans. Ensure they have the necessary support to stay warm and comfortable during the colder months. A simple phone call, visit, or offer of assistance can make a significant difference in their well-being. Let's show our appreciation for their service by looking out for them.

-On October 26th we will be having our Trunk or Treat in the Post parking lot from 2 to 5 PM. We invite all members to decorate their vehicles, distribute candy to the children in their costumes.

-We will soon have a new shed that is being donated by **Home Depot** to store our float and the Member Support Trailer; *no cost* to the Post. Thank you **Home Depot** and **Tuff Shed**. If you see construction going on behind the building be sure to thank them for their generous donation.

-Remember that the new membership year is in full force. Renew before Veterans Day to be eligible for the Early Bird Prize. 1st Vice Commander **Ed Filipowski** will have more information.

-As always, let me close by saying in every family, communication is the thread that weaves trust, understanding, and connection. This principle is especially crucial within our community of Veterans, where these challenges are deeply personal and often invisible to the outside world. As we face the continued loss of too many Veterans, it becomes clear that fostering open, genuine dialogue is not just beneficial—it is essential. Communication provides the lifeline that bridges isolation and healing. Simple conversations, a sincere inquiry about someone's well-being, or just being present and truly listening can offer profound comfort to those who might otherwise suffer in silence. Even small gestures—calling, sharing encouraging words, or making time to hear someone's story—resonate far beyond their apparent simplicity. They remind us that no one is facing their struggles alone and strengthen the bonds that hold us together as one Post 10 family.

Moreover, communication is more than the exchange of words; it is an act of empathy and recognition, sending a clear message: You are seen, you are valued, and your experiences matter. When we prioritize meaningful interactions, we create a supportive environment where Veterans feel safe to express their thoughts and emotions, reducing feelings of isolation and despair.

Whether through a heartfelt conversation or a quiet presence, every act of connection contributes to building a stronger, resilient support network. Together, by keeping the lines of communication open, we can help ensure no Veteran feels left behind.

Be the One

For God and Country

Remember Everyone Deployed Fridays (R.E.D.)

R.E.D. was created to show solidarity and support for our deployed service members and veterans. The primary mission is to keep the deployed at the forefront of our hearts and minds until they return home by wearing red on Fridays. The deployed and their families are not nameless, faceless, or forgotten. They are our heroes, and for them, we go R.E.D. on Fridays.

Wearing a specific color of shirt or other apparel may seem a trivial act, but it represents something very significant. It translates to mean that as you prepare for the day, you recognize that others are playing an active role to allow you to go about your day with relative peace of mind that you are safe.

Beware of PENSION POACHERS: Much like the bad actors who steal VA disability compensation benefits from Veterans, family members, and survivors, commonly referred to as “claims sharks”. There is another group of predatory entities you should be aware of: **“pension poachers.”**

These companies often target individuals of a certain age demographic or those with elderly Veteran parents or relatives. They aggressively market services encouraging people to file for VA Pension with Aid and Attendance, often through unsolicited mailings or online ads.

Please be cautious. These companies have been around even longer than the claims sharks, and their practices are illegal and unethical. They may:

- Offer to “build a case” that will be approved by VA.
 - Use their own doctors to create medical documentation.
 - Encourage the hiding of assets to meet financial eligibility requirements (VA Pension is income and asset-based).
 - Charge exorbitant fees or take a portion—or even all—of the awarded benefit.
- These tactics not only violate VA regulations but can also jeopardize the Veteran’s eligibility and legal standing.

What You Should Do:

- Never** sign any agreement without verifying the legitimacy of the service.
- Always refer Veterans and their families to a VA-accredited representative for assistance.
- If you have any questions or concerns, reach out before taking any action.

Let’s continue to protect our Veterans and their families from exploitation. Please share this message with your members.

The Department of Veterans Affairs announced \$84 million in grants to 176 organizations across the country to help Veterans who are homeless or at risk of becoming homeless. \$42 million in grants will cover legal services and another \$42 million in grants will go toward case management services to improve housing retention by Veterans who are at risk of becoming homeless or who were previously homeless and are transitioning to permanent housing.

Legal services grants: Assistance with landlord-tenant disputes to prevent eviction. Help with court proceedings for child support, custody, or estate planning. Help with obtaining benefits (state and federal compensation). Defending Veterans in criminal cases, i.e., outstanding warrants, fines, driver’s license revocation.

Case management grants: Will fund approximately 100 case manager positions that provide essential services, such as: Assistance with housing search and placement. Home visits to monitor housing stability and assess the need for services and other support. Assistance with access to educational activities that support personal empowerment and independence.

*“No one who served our nation in uniform should go without shelter;” said VA Secretary **Doug Collins**. “These grants will provide crucial support and services to help thousands of Veterans on their journey back to self-sufficiency.”*

If you are a Veteran who is experiencing homelessness or at risk of homelessness, call the National Call Center for Homeless Veterans at 877-4AID-VET (877-424-3838). Visit the [VA Homeless Programs](#) website to learn about housing initiatives and other programs for Veterans exiting homelessness

FRAUD ALERT from the VA: Public Disability Benefits Questionnaire (DBQ)

The VA Office of Inspector General (OIG) seeks your help in preventing DBQ fraud schemes targeting veterans. Public DBQs are medical forms that veterans submit to their healthcare provider (within VA or in the community). The information from the healthcare provider helps VA evaluate disability benefit claims from veterans. DBQ fraud schemes include attempts to obtain payment from veterans for assistance with getting DBQs completed by physicians and filing the related claim, even though free services are offered through VA and its accredited individuals. All veterans should be aware that no-cost assistance is available for filing an initial application for benefits. (Note, however, that fees may properly be charged for appeals of VA initial decisions.) It is not appropriate for any unaccredited “claims consultants” or representatives to charge veterans a percentage of future payments or fees to assist with filing initial benefit claims. Veterans should decline assistance from anyone proposing such an arrangement. These unaccredited individuals may improperly promise to send veterans to private healthcare providers that will increase the chance for successful decisions or higher benefits, or inappropriately advise veterans to avoid exams from a VA provider. Veterans should never agree to have their VA benefit payments directly deposited into the bank of a claims consultant.

Know the SIGNS: Individuals or businesses charge veterans a fee or a percentage of monthly benefits for assistance in getting public DBQs completed by healthcare providers or for submitting the resulting claim for VA benefits. Unaccredited individuals guarantee a large increase in the veteran’s military service-connected disability rating that would lead to larger monthly monetary benefits. Only VA can determine disability ratings. Healthcare providers charge a fee with promises they can find a diagnosis or exaggerate an existing medical condition to secure a successful claims decision or a higher rating than the evidence warrants.

Take ACTION: · Search VA’s database to ensure you are using an accredited representative. Work with the identified accredited representative when submitting public DBQs to physicians or claims to VA. Verify with accredited representatives in advance any potential charges (such as those related to filing an appeal). Accredited representative fees that seem excessive may be challenged by filing a motion to review with VA (Accreditation, Discipline, & Fees Program - Office of General Counsel (va.gov)). Ensure only accurate information regarding your disability claim is provided to VA. Knowingly providing, or having false information provided to VA on your behalf, may be a violation of federal law.

Vet Centers are community-based counseling centers that provide a wide range of social and psychological services, including professional counseling to eligible Veterans, service members, including National Guard and Reserve components, and their families. Counseling is offered to make a successful transition from military to civilian life or after a traumatic event experienced in the military to include military sexual trauma (MST). Individual, group, marriage and family counseling is offered in addition to referral and connection to other VA or community benefits and services. Vet Center counselors and outreach staff, many of whom are Veterans themselves, are experienced and prepared to discuss the tragedies of war, loss, grief and transition after trauma.

Chaplain's Report:

Dear Post 10 Members,

Fall is now upon us with Winter and then Spring soon to follow. A New Year right around the corner for us all. Soon we will have the upcoming fall and winter holidays for us all. Halloween, Thanksgiving, Christmas, (Hannukah – ed.) New Years and Ramadan just to name a few. Many of these holidays are very much family oriented as well as being close to our hearts. They are full of love, kindness, caring of each other, your friends and your fellow man. These are important ideals to hold close to our hearts and souls. They make us the person whom we are, whom we try to be and in fact depending on what you believe how the Creator wants us to both be and act in good faith.

As our daily world seems to have many many bumps and how it makes us feel within ourselves it is up to us as persons and individuals to stand up and be the man or woman whom we think we need to be. You stand for right and wrong... you stand for good... you stand for your moral position(s) in life. You decide many times daily how to present yourselves to others and act with courage, kindness, conviction and stand up for the good that is in each of every one of us. That is what makes us the persons whom we want to share with others in our beautiful world. If you need help of any kind please reach out to me at anytime.

God bless all of you. Please take care of yourselves and you families. Of course you may reach me at any time at: 1-703-853-1869 or Email: steven.botello@gmail.com

Respectfully, **Steven Botello** Chaplain P10 Manassas, VA

THE AMERICAN LEGION IS NOT A BAR

IT IS A VETERANS SERVICE ORGANIZATION

Northern Virginia Veterans Parade (VetPar) will be held on Saturday, 1 NOV 2025, starting at 1100 hours in Old Town Manassas. This year the parade will highlight the **250 year anniversaries of the Army, Marine Corps and Navy**. For additional information including route of parade, participant application, sponsorship and volunteering opportunities, etc. go to www.vetpar.org

The **Manassas Veterans Parade** was started by Post 10 Legionnaires circa 2008 to honor all Veterans due to the fact that there was no such parade in Manassas honoring Veterans since the 1860s. The parade has grown to a regional event and was renamed **Northern Virginia Veterans Parade**.

Remember to mark your calendar for Saturday, 1 NOV 2025, stepping off at 1100 hours.

Greetings Post 10 Family

Post 10 Riders were honored to help support the **Byrum** family (from Post 176 Springfield, on escorting the remains of fellow Rider, **Letty Byrum**, to her final resting place at Quantico National Cemetery.

If you are following the Riders on their Quest, these are some of the Legions that were visited, Post 53 (Front Royal), Post 199 (Woodstock), Post 77 (Strasburg), Post 21 (Winchester), Post 188 (Harrisonburg), Post 177 (Fairfax), Post 1976 (Annandale), Post 162 (Lorton), Post 89 (King George), and Post 148 (Colonial Beach), logging on over 380 miles.

The Legion along with the Riders, Auxiliary, and SON's, had a Membership booth at the ACCA Car Show in Manassas. Great event to meet new people, talk about the Legion and see some really cool cars.

We have the Virginia ALR 15th Annual State Rally being hosted by Post 53 in Front Royal.

Safety Reminders:

This is possibly the number one reason for accidents involving motorcycles and cars. Motorcycles are smaller than other vehicles and can be even more difficult to spot while merging or changing lanes. The shape of motorcycle and rider is also more likely to blend into the images you see in your rear-view and side-view mirrors than that of a large automobile. Take your time before merging and devote several seconds to searching each of your car's blind spots before proceeding with your intended maneuver.

Ride On, Chapter 10 American Legion Riders

It is the soldier, not the reporter,
who has given us freedom of the press.
It is the soldier, not the poet,
who has given us freedom of speech.
It is the soldier, not the campus organizer,
who has given us freedom to demonstrate.

It is the soldier,
who salutes the flag,
and whose coffin is draped by the flag,
who allows the protester to burn the flag.

Father D. Edward O'Brien, USMC
